Education

University of Oklahoma – Norman OK

Bachelor of Science in Mechanical Engineering

Expected: **May 2026**

GPA: 3.41

University of Oklahoma– Norman OK

Master's of Science in Mechanical Engineering

Expected: **May 2027**

GPA: 4.0

Experiences

FSAE Sooner Racing Team

Aug. 2022 - now

- Worked on the Design and Manufacturing of the of the frame, suspension, brakes and ergonomics of the car
- Use SolidWorks CAD to create a full vehicle model
- Designed a multibody vehicle dynamics model with Simscape Multibody in MATLAB to analyze suspension kinematics to help improve vehicle design validation

Undergraduate Research Assistant – AME Machine Shop

June 2023–March 2025/Sep. 2025-now

- Aided Faculty and Students to design and Build apparatuses for research and projects
- Use CNC mills and other equipment to manufacture
- Use CAD(SolidWorks) to help consult on design

Sooner Advanced Manufacturing Lab

Mar. 2025 – Aug. 2025

- Designing and manufacturing of vacuum heat treat furnace add-on to existing GE Furnace
- Lathe automation cell
 - Integrated an xarm6 robotic arm and added pneumatics to a Tormach 8L lathe for fully automated machining of titanium additive samples

Leadership

FSAE Sooner Racing Team – Chassis Lead

May 2023 – May 2024

- Lead the Chassis Subsystem in the Design and Manufacturing of the of the frame, suspension, brakes, ergonomics, and safety of the car
